Make & Take Gourmet, which makes it easy to prepare home-cooked meals for your family, offers to **donate 10 percent of your purchase to ASWA.**

Just mention that you're a friend of ASWA when you book your session on the phone or online. If booking at [www.makeandtakegourmet.com](http://www.makeandtakegourmet.com), write it in the "notes" box on the checkout page.

At Make & Take Gourmet, you can have fun preparing enough meals for a month in under two hours—and without the stress of menu planning, food shopping, chopping or slicing ingredients or the cleanup!

Every month, Make & Take Gourmet creates a menu of 16 entrees from which to choose. If you don't have the time to attend a session, call or order online and Make & Take Gourmet will assemble your meals for you for an additional charge.

Remember, every time you attend a Make & Take Gourmet session and mention ASWA, you'll be helping the organization.

Thank you for your continued support!
